Brand Story

Crafting Luxury faucets with Unrivaled Elegance

For over three decades, Wogen gold has been a renowned name in bathtub manufacturing with a commitment to quality and innovation. They now introduce premium faucets that embody luxury and sophistication.

Founded 30 years ago, **Woven gold's** exquisite craftsmanship and attention to detail quickly gained it a loyal following. Now, they combine their expertise with cutting-edge technology to create luxurious faucets that seamlessly integrate into any bathroom or kitchen.

Crafted from premium materials like brass and stainless steel, **Woven gold** faucets offer durability and resistance to corrosion. Each design is a testament to the skill of their artisans.

Embracing advanced water flow technology, **Woven gold** faucets optimize water usage while providing precise temperature and flow control. Touchless operation and LED lighting options enhance convenience and ambience.

Woven gold's luxury faucets go beyond functionality, incorporating thoughtful features that elevate the user's experience.

Touchless operation technology allows for hygienic and convenient usage, while LED lighting options create an ambient atmosphere that exudes luxury and relaxation. The inclusion of sprayer functionality in their kitchen faucets enhances versatility and makes daily tasks a breeze.

Backed by generous warranties and exceptional customer support, Woven gold ensures customer satisfaction and long-lasting enjoyment of their luxury faucets.

Woven gold's for into luxury faucet manufacturing solidifies their position as pioneers in the industry with a rich heritage spanning three decades, their commitment to excellence continues to captivate discerning customers worldwide.
